Out of this World Word Scramble!

These words were on a flight destined for outer space, when the hatch door flew open and they got tossed out! Astronauts were able to rover many of them but now the words are all jumbled up. Can you help the astronauts unscramble the words on this page?

1. SVEUN

2. SARM

3. PRTEUJI

4. PUNNETE

5. STMIROEYSASL (2 words)

6. TPOLU

SOLAR ECLIPSE

Sun

Moon

Earth

On August 21, 2017, parts of the United States will experience a total solar eclipse where the moon exactly blocks the sun's rays from hitting the Earth!

Jefferson Parish isn't in the path of totality, so we won't be able to witness a total eclipse, but we will still be able to see a partial eclipse. The solar eclipse over Jefferson Parish will begin at 11:57am and last until 2:57pm with the peak time at 1:29pm (this is when the biggest portion of the sun will be hidden!)

Countdown to the Eclipse

Get ready for the Eclipse with the Jefferson Parish Library!

Countdown to the Eclipse Trivia!

Each day of the week leading up to the eclipse (August 14-21), a trivia question will be posted on the JPL website (jplibrary.net), Facebook page, and in the library. Come to any JPL library with the correct answer, and enter a raffle for a selection of "Out of this World" treats! Raffle winners will be drawn at each location during the eclipse on August 21st. One entry per person per day.

Viewing the Eclipse!

Viewing Glasses: The Friends of the Jefferson Parish Library have generously purchased 500 pairs of viewing glasses which will be available at the East and West Bank Regional Libraries starting August 14th.

*Available while supplies last (maximum 4 per family)

Limited glasses will also be available at the Lakeshore and Westwego Libraries for Eclipse Programming participants. Please contact the branches for further details.

Pinhole Projector: On August 21st, all Jefferson Parish Libraries will have supplies available to construct a simple pinhole projector to safely view the Eclipse!

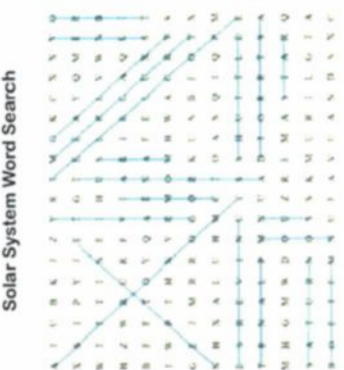

And more...

Check the calendar of the Jefferson Parish Library branch nearest you to find out if they have scheduled any additional Eclipse activities!
